

who we are

our school:

Since 1990, **NEW TONE MUSIC** has served the Manning & Great Lakes, NSW delivering quality individual and group instrument tuition to both young and old on **guitar, piano, drums, bass & vocal**. Our sole aim is to bring musical experience, equipping and training to the community.

All are welcome to take up lessons with any of our expert tutors or utilize any of our other Taree based facilities including a fully equipped recording studio, an instrument repairs & maintenance workshop and a sales department where we specialize in the supply of quality new music instruments and equipment at greatly discounted prices.

In addition to individual music tuition, we also undertake group tuition onsite at primary schools around the district. Over the years we discovered the best way to introduce music instrument training to children is through group music lessons at school alongside their peers and friends. We also found that rapid musical development ensued throughout the teenage years as a result of those earlier experiences.

For those wishing to pursue their musical aspirations further, we offer a range of Australian Music Examination Board (AMEB) music instrument and music theory courses. These tertiary entrance accredited courses are a great way to propel students through their secondary years on toward their musicianship goals.

2021 Spring into Summer

After an unusually cold winter we're finally seeing great warm days as we head into summer. And as pandemic, lockdowns, and vaccines are almost behind us, we managed to survive! We're here for music lessons young and old and remember, if you have students age 4.5-18years, you're welcome to an annual \$100 NSW Creative Kids Voucher music fees rebate per student. Claim that here:

<https://www.newtonmusic.com.au/nsw-creative-kids.html>.

Also, our instore and online presence is always growing so visit www.newtonmusic.com.au to have a look . . . and buy. And you're welcome to talk to us directly because we have direct deals with importers and distributors so we'll always beat everyone else's prices with newer, fresher music gear !!!

Sale Deals

We'll beat our competitors advertised price by up to 50%!

Now is the time to order musical instruments, equipment & accessories. We sell lots of new & used music gear saving you thousands by using our price beating tactics so you can't lose. Please **BRING IN COMPETITORS QUOTES** and watch us easily beat them. Don't pay their huge rent when you need to pay yours! TRY US - **WE ARE CHEAPER!**

Repair Deals

Why pay \$75-\$95 for an electric guitar re-string service elsewhere when the most we charge is \$25-\$35! We are by far the best & cheapest guitar repairs on the north coast.

CPM Course

We're always looking to offer our promising young students the A.M.E.B's Contemporary Popular Music (CPM) 4 step instrument specific course available for guitar, bass, piano, singing & drums which can be really helpful in propelling teenagers towards a music career.

Term 4 2021 Dates
